So you tell me something strange is going on  
And you tell me that our story's going wrong  
Though love is better left unsaid  
But since you asked me, just listen to my prayer

All I have is my soul  
More than I can say  
Only my soul  
To hope and to pray  
If you know me at all  
You will find the way  
All I have is my soul  
And my voice to pray

And then you say I'll remain a part of you  
Let our love carry on whatever we do  
But what's passed is so often hard to see  
If you wanna keep it just listen to my plea

All I have is my soul  
More than I can say  
Only my soul  
To hope and to pray  
If you know me at all  
You will find the way  
All I have is my soul  
And my voice to pray

I'd rather be dead if I lose my faith  
If I am condemned I will answer my fate  
I'll kneel down at night, I won't take control  
'Cause I am what I am  
And all I have is my soul  
I am what I am  
All I have is my soul
