What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now

la la la la la la..

I could be wrong, but I'm not
And you still think you are hot
I don't wanna believe that it's over now

Can you tell me your secret?
Then I'll tell you mine
Show me that you still love me
Then I will show real love
Uh Baby

[Chorus]
What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you are hot
I don't wanna believe that it's over now

la la la la la la.. (it's over now)

You are walking the wire
Looking for love in between
But you don't have desire
Do you know what I mean?
Uh Baby

[Chorus]
What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you are hot
I don't wanna believe that it's over now
It's over now

Wake up, you loose my lovin
Wake up, you used up thinking
Think twice about the things that you have said and
done
Wake up, you loose my lovin
Wake up, you used stop thinking
Think twice about the things that you have said and
done

la la la la la ...

[Chorus]

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you are hot
I don't wanna believe that it's over now

la la la la la ...
It's over now
