It's like
Like I'm playin' with fire
Real hot take you higher
It's like I'm playin' with fire

As he moves across the floor
As he grooves
I'm lost for words
See his hair is the darkest brown
Makes me wanna stay as he looks my way

Come on move your body mamma get up on the dance
floor
Let me see you workin' what your mamma gave you
Wanna see you grind
Baby show me what you came for
Back breakin' booty shakin' til the nights though

Chorus:
Come on let me know if you wanna get down with me
We can dance through the night and just take it real
casually
Come let me know if you wanna come back with me
If you stay through the night
I can show you what you wanna see

It's like
Like I'm playin' with fire
Real hot take you higher
It's like I'm playin' with fire

Movin' close bodies intertwined
Ain't no rush I'm gonna take my time
Taste his lips
Carress his skin
Feel his touch
Make me just give in

Come on move your body baby all up in the bedroom
Let me see you workin' what your mamma gave you
Wanna see you sweat
Baby boy I gotta get some
Back breakin' booty shakin' til the nights through

Chorus

It's like
She got legs to her ears y'all
When she walk people cheer y'all
