(Tom Kelly/Billy Steinberg)

You with the sad eyes, don't be discouraged  
Oh I realize it's hard to take courage  
In a world full of people, you can lose sight of it all  
And the darkness, inside you can make you feel so small

But I see your true colors shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors are beautiful, like a rainbow

Show me a smile then, don't be unhappy, can't remember  
When I last saw you laughing  
If this world makes you crazy and you've taken all you can bear  
You call me up because you know I'll be there

And I'll see your true colors shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors are beautiful, like a rainbow

[instrumental part]

So sad eyes, discouraged now, realize  
When this world makes you crazy, and you've taken all you can bear  
You call me up, because you know I'll be there

And I'll see your true colors shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors, true colors cause there's a shining through  
I see your true colors and that's why I love you  
So don't be afraid to let them show

Your true colors, true colors, true colors are beautiful,  
like a rainbow.
