Why does your love hurt so much - Why
Why does your love hurt so much - Don't know Why

1.
You know I love you baby
All the while you just mistreat me
In the warmth of my bed
All the things that you said were:

2. You said your love was sacred
But you left me alone to make it
You want to come back again some day
Darlin' here's what I say:

Why does your love hurt so much - Why
Why does your love hurt so much - Don't know Why
