### "International Harvester"

Visit "[International Harvester](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'm the son of a third generation farmer  
I've been married 10 years to the farmer's daughter  
I'm a God fearing hardworking combine driver  
Hogging up the road on my p-p-p-p-plower  
Chug-a-lug-a-lugin 5 miles an hour  
On my International Harvester.

3 miles of cars laying on there horns  
I'm falling on deaf ears of corn  
Lined up behind me like a big parade  
Of late to work road rage jerks  
Shouting obscene words giving my the bird

Well you my be on a state paved road  
That black top runs through my pay load  
Excuse me for trying to do my job  
This year ain't been no bumper crop  
If you don't like the way I'm driving  
Get back on the interstate Otherwise sit tight and be  
nice  
And quit your honking at me that way

Cause I'm the son of a 3rd generation farmer  
I've been married 10 years to the farmer's daughter  
I got 2 boys in the county 4-H  
I'm a lifetime sponsor of the FFA  
Hey that's what I make I make a lot of Hay for a little  
pay  
But I'm proud to say  
I'm a God fearing hardworking combine driver  
Hogging up the road on my p-p-p-p-plower  
Chug-a-lug-a-lugin 5 miles an hour  
On my International Harvester.

Well I know you got your on deadlines  
But cussing me won't save you no time Haus  
But this big wheeled wide load ain't going any faster  
So just smile and wave and tip your hat to the man up  
on the tractor

Cause I'm the son of a 3rd generation farmer

I've been married 10 years to the farmer's daughter  
I got 2 boys in the county 4-H  
I'm a lifetime sponsor of the FFA  
Hey, that's what I make I make a lot of Hay for a little  
pay  
But I'm proud to say  
I'm a God fearing hardworking combine driver  
Hogging up the road on my p-p-p-p-plower  
Chug-a-lug-a-lugin 5 miles an hour  
On my International Harvester.

I'm a God fearing hardworking combine driver  
Hogging up the road on my p-p-p-p-plower  
Chug-a-lug-a-Lugin 5 miles an hour  
On my International Harvester.
