[50 Cent]

New York City, you are know rappin', with 50 Cent, you
gotta love it

I just wanna chill and [.....]

Catch sunshine in my 745

You drive me crazy, shorty I

Need to see you and feel you next to me

I provide everything you need and I

Like your smile, I don't wanna see you cry

Got some questions that I gotta ask and I

Hope you can come up with the answers babe

[Nate Dogg]

(Chorus)2x

Girl, it's easy to love me now

Would you love me if I was down and out

Would you still, have love for me?

[50 Cent]

If I fell off tomorrow, would you still love me?

If I didn't smell so good, would you still hug me?

If I got locked up and sentenced to a quarter century

Could I count on you to be there to support me
mentally?

If I went back to a Hoop-D from a Benz

Would you poof and disappear, like some of my
friends?

If I was hit and I was hurt would you be my side?

If it was time to put in work would you be down to ride?

I get out [.....]chill in drive

I'm asking questions to find out how you feel inside

If I ain't rap 'cause I was t' flip burgers in Burger King

Would you be ashamed to tell your friends you're
feeling me?

In the bed, if I use my tongue would you like that?

If I wrote you a love letter, would you write back?

Now we can have a little drink, you know a Nightcap

And we can go do what you like, I know you like that

(Chorus)

[50 Cent]

Now would you leave me if your father, found out I was
thugging?
Do you believe me when I tell you, you the one I'm
loving
Are you mad 'cause I'm asking you 21 questions?
Are you my soulmate? 'Cause if so, girl you're a
blessing
Do you trust me enough, to tell me your dreams?
I'm staring at you tryna figure how you got in them
jeans
If I was down would you say things to make me smile?
I treat you how you want to be treated, just teach me
how
If I was with some other chick and someone happened
to see
And when you asked me about it I said "It wasn't me"
Would you believe me?
Or up and leave me?
How deep is our bond if that's all it takes for you to be
gone?
We only humans girl we make mistakes
To make it up I do whatever it take
I love you like a fat kid love cake
You know my style
I'd say anything to make you smile

(Chorus)

[Nate Dogg]
Could you love me in a Bentley?
Could you love me on a bus?
I'll ask 21 questions and they all 'bout us

Could you love me in a Bentley?
Could you love me on a bus?
I'll ask 21 questions and they all 'bout us
