...Welcome to the Aftermath

(Group) Like We Always Do About This Time!!

(Woman) Welcome To The Aftermath!

(Narrator)

The Aftermath, A second growth, the period  
immediately following an unusual event.

This is brought to you by, the makers of funky music

Coming directly to you from the Soul Kitchen

So let's get deep

You ask how deep is deep?

Can I ask you how deep would you like to get?

(Woman) The Aftermath Brings To You Some Of The  
Best Hip-Hop And R&B On The Planet

(Group) We're comin' we're comin' we're comin'

(Repeat X3)

WE'RE HERE!! (Echoes)

(Sid McCoy)

Watch yourself, peep the blow up

From state-to-state we're touchin' home no matter what  
sign you throw up

Wait, we're on some other while you're still slippin'

Bringin' you all bangin' speakers for sparks fly out the  
car system

Off the tops, snatchin' props and the proper the tops  
we touch

we're hard to knock, we got it locked

From every angle of music the different sound view  
R&B, rap, whatever flavor kid it's all new  
So let's say we bring it with the EAST! and the WEST!  
The final results: The Aftermath touchin' every coast!  
So when the bar blows then, the DJ spins  
And we don't set trip, we set trends  
Love to the artists, in fact they be the smartest if they  
business is tight  
Cuz keep it real means moving the cash markets  
And constantly buildin' and stop destroying everything  
that we touch  
And leave somethin' for our children

(RC)

Whatever it takes to get ya paid yea-yea-yeah, keep on

Keep on doin' it, keep on doin' it  
And whatever it is that gets ya free yea-yea-yeah  
(Gets ya free, yeah) keep on doin' it
