Another short story

When he be acting bad, don't he make you mad
Wanna kick his ass, when he already showed ya
He ain't no good and that's a fact

Another sad story

She constatly says she adores me
Girl I'm all dog in love don't leave here anymore

Another short story, oh yeah

Her love was beginning to bore me
Doens't take long for my love to fade

Another sad story, oh yeah

I only call when I'm horny
But she acts like we kick all day

It's a quarter pass midnight

Don't he make you mad, you can't find his ass
Seven hours past, since he called you last
Only to you he can do no wrong

Funny how time flies

Especially when you live a whole life
Looking for love is already gone

Another short story

Already gave you a warning
A one night stand homie look what I done

Another sad story

This girl was so soft that's so lovely
I cannot stay 'cuz she's to strong, oh yeah
I keep my mind on my money

Everything else is just find someone else to play her
game

Hey staying home just staying
I like new skirts yeah like bees like honey
You can have some if you want, hey no kissing

Oh no, another short story

Her love was beginning for bore me
It doesn't take long for my love to fade

Another sad story, oh yeah
I only call when I'm horny
But she acts like we kick all day, oh yeah

Another short story, oh yeah
Already gave you a warning
A one night stand homie look what I've done
