I'll bring the bag of weed
You can bring the bottle of wine
Call me whenever, we can get together
And have us a real good time

I'll bring the bag of weed
You can bring the bottle of wine
Call me whenever, we can get together
And have us a real good time

Its still morning, I'm still yawning, outside my window
Someone's calling, her name was Mickey, habits freaky
She liked to do me, her and her homeys
Did I mention that I'm balling?

Rollin' on gold ones, that's right, crawling
Thats why she's jocking early this morning
I'm feeling under the weather, I'll soon be feeling
better
Don't forget the paper this time

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever, we can get together
And have us a real good time

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever, we can get together
And have us a real good time

Call me whenever, but never ever after ten
'Cuz I got to be at home with my bitch and my kids
I hit the skin, flip the twin lips of love apart
Get to diggin' in ya ligaments then bust ya heart

'Cuz from the start, soon as we sparked the bag I
brought

I seen you chokin' through the smoke, noticed your
titties was taut
You caught up in the game that I came to spit
I cracked the Hennessey and entered deep in gangsta
shit

You wanna get with this? Or is you in to twist the game
up
And make me cum, just to say you came up?
And gained what, another strike on your rep
When you coulda kept your mouth shut and right on the
step?

With the program, knowin' damn well you wrong girl
'Cuz I shook you and took two of your home girls
You played yourselves so I had to leave
Baby, shoulda just chilled off this bag of weed

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever, we can get together
And have us a real good time

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever, we can get together
And have us a real good time

I can bring the fat ass bag of weed
I just now left the spot
You can bring the cold ass bottle of wine
And make that your first stop

I can bring the fat ass bag of weed
I just now left the spot
You can bring the cold ass bottle of wine
And make that your first stop

(I'll bring the weed)
I can bring the fat ass bag of weed
I just now left the spot
(You bring the wine)
You can bring the cold ass bottle of wine
And make that your first stop

(I'll bring the weed)
I can bring the fat ass bag of weed

I just now left the spot
(You bring the wine)
You can bring the cold ass bottle of wine
And make that your first stop

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever, we can get together
And have us a real good time

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever we can get together
And have us a real good time

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever we can get together
And have us a real good time

(Somebody stop me)
I'll bring the bag of weed
You can bring the bottle of wine
(Outside my window)
Call me whenever we can get together
And have us a real good time
