(feat. Butch Cassidy)

[Nate Dogg:]

I Don't know about tomorrow  
Who can say what it brings  
I do know that it's Christmas (know that it's Christmas)  
And I can remember the joy that Christmas brings

[Butch Cassidy:]

What better day to spend with your family  
bring your present we'll trade  
little children around me  
since we're gathered here together won't you help me  
sing (help me sing!)

[Chorus:]

fa la la la la laaaaa fa lalalalaaaa  
fa la la la la laaaaa fa lalalalaaaa (oooohewooo)  
fa la la la la laaaaa fa lalalalaaaa (noooow)  
Be Thankful for the gifts your receive (yeeaaaah)

[Butch Cassidy:]

Blessed are those who receive  
All of their Christmas dreams  
I can't complain  
And I'm hoping that's the way it remains

[Nate Dogg:]

(all the pain) all of the pains life brings  
Sometimes we need to sing  
'Till the day we finally leave  
Together if you sing along, the pain will ease! (ease the  
pain)

[Chorus:]

fa la la la la laaaaa fa lalalalaaaa (today)  
fa la la la la laaaaa fa lalalalaaaa (oooohewooo)  
fa la la la la laaaaa fa lalalalaaaa (noooow)  
Be Thankful for the gifts your receive (yeeaaaah)

[bridge: Nate Dogg]

Be Thankfuuuuul (everyday of your lives)

Be Thankfuuuuul (give thanks)  
Be Thankfuuuuul  
Be Thankful for the gifts you receive! (yeeaaaahhh)

[Nate Dogg:]  
This morning I woke up with a reason to (falalalalala)  
sing (reason)  
This morning I woke up, to an ugly (falalalalala)  
Christmas Tree (come on)  
This morning I woke up, (falalalalala) no presents were  
there for me  
But This morning I woke up and could breeeeeeeath!!  
(need to learn to thank him don't we)

[bridge (over first chorus): Nate Dogg]  
Be Thankfuuuuul (I don't feel the pain no more)  
Be Thankfuuuuul (today)  
Be Thankfuuuuul  
Be Thankful for the gifts you receive! (yeeaaaahhh)  
(Need to learn to thank Him don't we)

[Chorus:]  
fa la la la la laaaaa fa lalalalaaaa  
fa la la la la laaaaa fa lalalalaaaa (oooohewooo)  
fa la la la la laaaaa fa lalalalaaaa (noooow)  
Be Thankful for the gifts your receive (yeeaaaah)
