heres a story about a man
a simple man
a man with a dream
to do the world some good

heres a story for rich and poor
for young and for old
about a man from the hood
try do the world some good

heres a story about a man
an everyday man
a man with a dream
to be the head of state

heres a story about a man
an eveyday man
a man with the dream
to be the head of state, (fade Out) State, state

he feels bad
mighty low
got no were to go
what can you do when your feeling low
man i wanna know

he feels bad
mighty low
got no were to go
what can you do when your feeling low
and your car just got me gold

this is messed up
this realy sucks
eveytime you do the hood trouble just pops up
he doesnt know what hes gona do
he doesnt know what hes gona do

this is messed up
this realy sucks

keep your head up theres no respect
lets just hope the elections not through
lets just hope the elections not through

he feels good things are going his way
it might just be things are going his way
he feels good things are going his way
it might just be things are going his way

look at him now man aint this great
biggest man in town hes the head of state
they come from all around just to one hand shake
look at him now hes the head of state

to be the head of state (fade out) state state
to be the head of state

heres a story about a man
a simple man
a man with a dream
to do the world some good

heres a story for rich and poor
for young and for old
about a man from the hood
try do the world some good

heres a story about a man
