"I Don't Wanna Hurt No More"

I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down
I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down

Man I been thinkin' lately
About the way the world just be changin'
Is it a sin to be chasin' paper?
I can't count the niggas dyin' lately
It's the grave or incarceration
I know you hurt but you can't replace 'em
You go and dig a hole then erase 'em
You just created a smaller nation

A jail cell is all that's waitin'
Look at all the progress you're makin'
I really hope you're kinda patient
You facin' 25, no probation
2 for 1 is multiplication
Your freedom is all their takin'
Is it best to be dead or pacin'?
All 'cos you couldn't take it

I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down
I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down

How can I concentrate
With all the problems that I face
I often ask myself if there's a place
Where I can get away
I keep my head to the sky
And try to maintain my pace

If I don't then I'm gone
Somebody gon' take my place

No need to go too fast
'Cos I know a little time it takes
But my situation's bad
I'll be jackin' soon at this rate
I ain't tryin' to make you mad
It's a plain and simple fact you face
If you're broke you hurt most
From all the bullshit you take

I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down
I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down

Lately, I've been feelin' like givin' up
The pain inside makes me
Wanna reach out and touch someone
Anyone who feels that I
Ain't been hurt enough
You best duck or get stuck
'Cos man I been hurtin' for months

No more, no more, no more, no more
I've been hurtin' a while
No more, no more, no more, no more
And I don't wanna hurt no more
No more, no more, no more, no more
Don't wanna hurt no more
No more
But the rain keeps comin' down

I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
I, but the rain keeps comin' down
I don't wanna hurt no more
I don't wanna hurt no more
I don't wanna hurt no more
