When my heart starts achin  
Kinda hard to keep breathin  
I take comfort in knowin  
One day I'll be right back (right back where you are)  
I keep starin at your picture  
Lord knows I really miss ya  
I wanna hug, I wanna kiss ya  
Can't wait until I get back to (right back where you are)  
I wish I had another chance too  
All the things that I would tell you  
Out of sight I'd never let you  
Tell me how I can get to (right back where you are)  
[Chorus: repeat 2X]  
Right back, right back, right back, right back [2X]  
Right back where you are  
I remember how we used to  
Sit and talk until the day's through  
Now I've got no one to talk to  
'Til I can get back to (right back where you are)  
Sometimes I wonder did I tell you  
How much I really love you  
I know I'll get another chance to  
When I'm standin right beside you (right back where  
you are)  
Sometimes I wonder if I'm selfish  
But if God would give me one wish  
I'd wish you back into this world with  
me so I could be back (right back where you are)  
[Chorus]  
What a wonderful day  
When my troubles are erased and  
I'm so tired of waitin  
My God I'll be facin  
That wonderful day  
My heart starts to racin  
No more attempts at payin  
Standin next to my savior, and (right back where you  
are)  
[Outro]  
Right back where you are  
Where you arrrrrrre  
Right back where you are

Where you arrrrre  
Oh God where you are  
Right back where you are  
Where you are, where you are  
Right back where you are...  
Right back where you arrrre  
Right back where you are
