[Intro/Chorus: Nate Dogg]

Round and round we go [2X]

Round and round we goooooo

Round and round we go

Round and round

[Nate Dogg]

What goes up [echoes] must come down

What goes round [echoes] comes back around

Stronger lover [echoes] it can not be found

Why do we [echoes] keep on goin round and round
and round

[Chorus]

[Nate Dogg]

In and out [echoes]

Girl I love the way you sex me without doubt

The way you scream and shout! [echoes]

Almost makes me explode just thinkin about it

The way you call my name [echoes]

Can easily make me forget all my woes

So I won't complain [echoes]

I'll be careful not to step on nobody's toes

[Chorus w/ a few ad libs]

[Nate Dogg (unnamed female harmonizer)]

Round and round makin me dizzy

And we can be how we used to be

We used to talk but we hardly speak

I wanna stay but you're pushing me

Round, and, rouuuuuuuund

Round and round and round, round and rouuuuund

Round, and, rouuuuuuuund

Round and round and round, round and rouuuuund

[Chorus - repeat 2X]
