Hi, hello, awake from thy sleep.
God has given your soul to keep
All of the power that burns in the flame
Ignites the light in a single name.

Frederick, name of care,
Fast asleep in a room somewhere.
Guardian angels lay a bed
Shed your light on my sleepy head.

I'm on a threshold yearning to sing,
Down with the dancers having one last fling.
Here's the moment when you said hello
Cover my spirit,
are you ready, let's go.

Hi, hi, hey, hey,
Maybe I will come back some day now.
But tonight, on the wings of a dove,
Up above to the land of love.

Now I lay me down to sleep
Pray the lord my soul to keep,
From kiss to kiss, from breath to breath,
My soul surrenders astonished to death.

Night of wonder, promise to keep,
Set our sails, channel the deep.
Captured the rapture two hearts meet
Combine, entwine in a single beat.

Frederick, you're the one
As we journey from sun to sun.
All the dreams I've waited so long
For on our flight tonight
So long, so long.

Bye, bye, hey, hey
May be we will come back some day now.
But tonight, on the wings of a dove,
Up above to the land of love.

Frederick, name of care
High above with sky to spare.
All the things I've been dreaming of
All expressed in this name of love.
