Let's get honest, let's get real
Let's get humble, Spirit of God is here
He's a fire to be feared, Spirit of God is here
He is here

Let's awake our souls and make a path
Prepare our hearts for holiness
He is near, Spirit of God is here
Take off your shoes and stand in awe
Bow our hearts to mighty God
He is near, Spirit Of God is here

Let's approach him, let's draw near
He is calling, Spirit of God is here
Angels worship, saints revere
Spirit of God is here
He is here, he is here, he is here

Everybody awake your soul
Get yourselves ready, young, adult
Come together aÂ¿Â¾cause he is near
Spirit of God is here
