I gotta take a little time  
A little time to think things over  
I better read between the lines  
In case I need it when Im older

Now this mountain I must climb  
Feels like a world upon my shoulders  
I through the clouds I see love shine  
It keeps me warm as life grows colder

In my life theres been heartache and pain  
I dont know if I can face it again  
Cant stop now, Ive traveled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

Im gonna take a little time  
A little time to look around me  
Ive got nowhere left to hide  
It looks like love has finally found me

In my life theres been heartache and pain  
I dont know if I can face it again  
I cant stop now, Ive traveled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

I wanna know what love is  
I want you to show me  
And I wanna feel, I want to feel what love is  
And I know, I know you can show me

Lets talk about love  
I wanna know what love is, the love that you feel inside

I want you to show me, and Im feeling so much love  
I wanna feel what love is, no, you just cannot hide  
I know you can show me, yeah

I wanna know what love is, lets talk about love  
I want you to show me, I wanna feel it too  
I wanna feel what love is, I want to feel it too  
And I know and I know, I know you can show me  
Show me love is real, yeah  
I wanna know what love is
