This is a song for us
I picked it just for us
I hope you like it too
Cos' I wrote it just for you

This is a song for us
I picked it just for us
I hope you like it too
Cos' I wrote it just for you

When I see your face in the dark
I see a light and a spark
And I think, oh that's my girl!
And you're shining bright like a pearl
And I see your pretty hair
And all I do is smile, oh yeah!
And I say

This is a song for us
I picked it just for us
I hope you like it too
Cos' I wrote it just for you

You are my favourite girl, yeah
You're not any ordinary girl
And when I see your pretty face,
There's no sadness, not a trace!
And I Say

This is a song for us
I picked it just for us
I hope you like it too
Cos' I wrote it just for you

Song for us
It's just for us
Can't get me wrong
Because it's our song
And I say

This is a song for us

I picked it just for us
I hope you like it too
Cos' I wrote it just for you
