What am I supposed to do to try to make it up to you?
My words never arrive
Baby , you're a mystery standing right in front of me
How long can we survive?

I was blind but now I see

We'll both be fine
Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you
We'll both be fine
Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you

Never been a mystery
Never really mean to be the reason we'd ignite

Fire blinds ,but now I see

We'll both be fine
Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you
We'll both be fine

Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you

We'll both be fine
We'll be stronger, We'll be stronger
We'll both be fine
We'll be stronger We'll be stronger

We'll both be fine
Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you
We'll both be fine
Together we'll heal in time

Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you

We'll both be fine
Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you
We'll both be fine
Together we'll heal in time
Cause you're part of me, and I'm part of you
Cause you're part of me, and I'm part of you
