I wrote a song for my love  
I painted a picture for my love  
I swam an ocean for my love  
See a man walk a dusty street  
He gave away everything  
For love

There's something about  
Somebody  
Lovin'  
There's something about  
Somebody  
Lovin'  
Lovin'

I breathed a day for my love  
I lived a life for my love  
See a man walk a dusty street  
He gave away everything  
For love

There's something about  
Somebody  
Lovin'  
There's somethin' about  
Somebody  
Lovin'  
There's somethin' about  
Somebody  
Lovin'  
Lovin'

Somebody  
Somebody  
Lovin'
