Here in her bedroom
I'm a nervous wreck
Oh, I'm losing my breath
To those brown eyes
Staring back
Like the sunrise
Like the sunlight

Life is too short to let minutes die
I'm holding on tighter
Said tighter than ever before
I'm holding her tighter
Than ever before

Life is too short to let minutes die
I said holding on tighter
Tighter than ever
Ever before
I'm holding her tighter

Here in her bedroom
She's my ecstasy
She's the mess I need to be next to
Feeling her skin up against you
As she tells you...

Life is too short to let minutes pass
By
I'm
Holding on tighter
Than ever
Before
I'm holding on tighter
Than ever before
I'm
I'm holding on tighter

Life is too short to let minutes die(I'm holding on
tighter)
I'm holding on tighter (holding on tighter)
I said tighter than ever before (holding on tighter)
I'm holding on tighter than ever before (holding on

tighter)

Life is too short to let minutes die (holding on tighter)

I'm holding on tighter (holding on tighter)

Tighter than ever... (holding on tighter)

Ever before, I'm holding her tighter (I'm holding on
tighter)
