Evil eye hotshot. Full tilt nonstop. Tidalwave avalanche.
Parked down at the ranch. A gulpin' go - juice.
Chopped and channeled deuce. Custon chrome
reverse. Jacked up Egyptian curse. She God Shanghai.
Surfin' bird 'n' fur pie. See God 'n' hang five. Papa oo
mow oo my. Dames, Booze, Chains, and Boots. Torso
tossin'. Shockwave a causin'. A wammy in the
boogaloo. Busted up bustle, too. Gear strippin'
dynamo. Limbo down kinda low. I can do the camel
walk. Torture me. I won't talk. Down in the fashion pits.
Girls wearin' tourniquets. Rough and ready riff raff.
Straight jacket sneak attack. Wig hat jack knife. Out on
bail for life. Sex in the cycle set. Mama don't allow no
pets.
