(featuring Steven Neufield of "Hey Mike")

Give me headlines that grab  
And shocking detail  
Hide the facts in section E  
Where no one will see  
I can't tell which is news  
And which is retail.  
It all looks the same to me  
And it's said with urgency  
So it must be true and you must  
Accept it from their point of view  
You better hop on board or miss the  
Grand parade...

(CHORUS 1)

And that's how consent is made, from  
The manifold masses  
So long as the man gets paid  
No one will question  
Offering thrills in trade  
And that's how money's made

Who can tell between fast  
And rash assumption  
When the world comes down the wire.  
Those who propagate fear  
Promote mass consumption  
All the publishers desire  
So the proof is not required  
'cause if you don't think it's true then  
There must be something screwed up  
With you  
Because everyone else has joined the  
Big charade...

(CHORUS 2)

And that's how consent is made  
From the millions of morons  
So long as the bill gets paid  
No one will question  
Offering thrills in trade

And that's how money's made

We don't need an excuse anymore  
We can bend half truths and fabricate  
A war  
If the details don't pan out  
We can smash all those who doubt  
So it must be true and you must bow  
Down to the Red, White and Blue  
You better hop on board and join the  
Great crusade...

(CHORUS 2)

And that's how money's made (3X)

That's how money is made  
I don't want to pay the price  
It gets paid  
It's a downward spiral. (repeat)
