Hide the virgins say your prayers here come trouble
from the cosmic sea gouts of blood! kill all the
squares1 it's the aztec mummy vs. murderous me! i'm
the god monster from the end of the world i'm the
hothead intruder i'm the phantom on fire switchblade
enforcer of the astral swirl god monsterman god damn
atomic vampire god monster for your doomsday
destination god monster for your damaged life god
monster for your ruined hallucination god monster
spider in your beehive i'm the spaceprobe from venus
to the screaming unknown top eliminator on a mission
for kicks boss action guy a psychedeliccyclone a big
hunk of love with a bag full of tricks god monster for
the end of the world.....
