She got the wiggle hip sway hypno sex ray goin' on in
my head she got the flippin' hip slide hypno sex siren in
my head she got the wiggle hip sway hypno sex ray
light's flashin' red the way she wiggles has got me
hypnotized the way she wiggles has got me hypnotized
but when she walks away she's got me paralyzed she
got the wiggle hip sway..... when she gets to dancin' got
it movin' to n'fro when she " " " " " " " " i'm dizzy in
trance just watchin' that thing go picasso paintings are
fine for that kind of thing an' man paganini sure knows
how to sing but that girl gyration makes my gong go
ding...dong hip hip.....hip hooray.
