Oh... life is bigger
It's bigger than you
And you are not me
The lengths that I will go to
The distance in your eyes
Oh no I've said too much
I set it up
That's me in the corner
That's me in the spotlight, loosing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no I said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
I think, I thought I saw you try
Every whisper
Every waking hour
I'm choosing my confessions
Trying to keep an eye on you
Like a hurt, lost and blind fool, fool
Oh no I said too much
I set it up
Consider this
Consider this
The hint of the century
Consider this
The slip that brought me
To my knees, failed
What if all these fantasies
Come flailing around
Now I've said too much
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try
But that was just a dream
That was just a dream
That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it

Oh no I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try
But that was just a dream
Try, cry, why, try
That was just a dream
Just a dream...
Just a dream...
Dream
