Whoa...there's some things baby I just can't swallow.
Mama told me that girls are hollow. Uh-uh...What's
inside a girl? Somethin's tellin' me there's a whole
nuther world. Ya gotta pointy bra...ten inch waist. Long
black stockings all over the place.
Boots...buckles...belts outside. Whatcha got in there yer
tryin' a-hide? Hmmm? What's inside a girl? Ain't no
hotter question in a so-called civilized world. Can't see
it by satellite baby that's cheatin'. The President's callin'
an emergency meetin'. The King of Siam sent a
telegram sayin' "Wop bop a loop a lop a lop boom
bam!" Wooee...What's inside a girl? Somethin's tellin'
me there's a whole nuther world. Whatcha
got...whatcha got...Whatcha got in the pot? Whatcha
got...whatcha got...Whatcha got in the pot? In the
bottom of your bottomless bodypit. You got somethin'
and I gotta get it. Come onnn...What's inside a girl? Like
da itty bitty baby takes apart his toys. I'm gonna find
what's rilin' up the boys. Sugar and spice is just a bluff.
You can tell me baby...what is that stuff?! Come
on...What's inside a girl? That wavy gravy got my head
in a whirl.
