Break It Down

Break.....Break.....Break....Break
IT DOWN NOW

Kick it
Punch it
Mark it with a B
What ever the fuck you please

Break it down
(its good for nothing)
Break it down
(its just like you)
Break it down
(to the fucking ground)

Gas and a lighta
Makes a lil firea
And throw in your lil f'n brother

Break it down (X2)
(its good for nothing)
Break it down
(its just like you)
Break it down
(to the fucking ground)

Break....Break....Break.....
It...
Down....Down.....Down....
!...DOWN...!
