Changes

Everydy I feel the same  
I just feel all this pain  
Take the time to feel better  
That's why Im writting this letter  
Everyday is the same  
Your plaing all these gomes

Changes (X2)  
All the things we go through  
It makes us who we are  
Changes  
No matter how far

I will not stop loving you  
I'll never stop being with you  
No matter what you've done to me  
We are ment to be....togeather

Changes (X2)  
All the things we go through  
It makes us who we are  
Changes  
No matter how far

No matter how far you go  
I'll allways be there

No matter how far  
....Changes....
