Im so sorry
What am i living for
You say your sorry
Just shut the fucking door

Sizing on the way up
Climbing up the cometition
Waiting for the right time
To strike down and change your life

You never cared about me
You never showed anything
Did you just hate me
Why did you hate me

I am not perfect
Im not even competition
And im waiting for the right time
To strike down and change your life

Oh...oh...oh...oh...oh
Change your life
Strike down
Change your life
Strike down

Violent rays
No set lines
So afraid to cross the line
Violent rays
No set line
Now i know im ready to die

!Raw!.....

Violent rays
No set lines
So afraid to cross the line
Violent rays
No set line
Now i know im ready to die

Oh...oh...oh...oh...oh
Change your life
Strike down
Change your life
Strike down
Sizing on the way up
Climbing up the competition
Waiting for the right time
To strike down and change your life

Violent rays
