Out on the street
No where to go
Losing my mind
Losing my soul
A beggers life
To live in fear
Lookin' for something

Could take my life
But what a shame
A finger points to blame
I'm looking hard
But can't quite see
I hear a voice
Shouting at me

Now it's time for you to stop running
The time is now salvation's calling

Lookin' for land
Adrift at sea
Will someone have
Mercy on me
Drown in sorrow
Where's my first love
Where is my comfort

A taste of death
Would not be sweet
The devil's fire
Burning beneath
Cries from the heart
To take a chance
Will I go down
Walking the fence

Was all alone
Out on the street
Feeling tired
Down and beat
Then he came
He talked to me

He cleansed my heart

He said move forward

Walk in faith

It's time to watch

The moves you make

Follow the truth

I placed in you

You know what's right

Know I'm with you

Now it's time for you to stop running

The time is now salvation's calling

Jesus is the way for you, that's right
