Times After Times

She makes me laugh
She'll make me cry
And when we talk
She wonders why
That I can't breathe into this life
With the things she says I wanna die
All the things we talk about you know they stay on my
mind
On my mind
All the things we laugh about they'll bring us through it
everytime
After time after time
Cuz you're all I wanted to find
Cuz you're all I wanted to find
And I would drive, the whole night through
Just so I could spend it with you
I know you're mine, and I hope it's true
That when we fight, we will make it through
All the things we talk about you know they stay on my
mind
On my mind
All the things we laugh about they'll bring us through it
everytime
After time after time
Cuz you're all I wanted to find
Cuz you're all I wanted to find
I'm falling, I'm falling, I'm falling down
I'm falling, I'm falling, I'm falling down
I'm falling, I'm falling, I'm falling down
I'm falling, I'm falling, I'm falling down
Down, down, down
Cuz you're all i wanted to find
Cuz you're all i wanted to find
Cuz you're all i wanted to find
Cuz you're all i wanted to find
Yes you're all, yes you're all I wanted
