Your Gone

Ellen, what you doing now?

Why is it everyday

What you doing now girl?

You just walk away.?.?.?

Please, please tell me

Cause I need to know, I need to know now

From me...I didn't mean to hurt you

When I was down, you came to me

But I did and im sorry

And promised you'd always be

!FOR NOT DOING IT SOONER!

By my side, now you're gone

And I'm waiting patiently

I never ment a word I said

Ellen, I want you to know

Just wanted you in bed

I got it..So now

Ellen, oh Ellen, I'm so glad you're mine

Your Gone

We'll be together a long time

HA HA HA

Ellen, what you doing now?

He's dialin' your car phone

You thought I loved you

Please, please be true

No fucking way

You know that I trust you, do that which you must do

You thought I wanted you around

When I was down, you came to me

I just wanna barry you 6ft underground!!!

And promised you'd always be

By my side, now you're gone

And I'm waiting patiently

I never ment a word I said

Ellen, I want you to know

Just wanted you in bed

I got it..So now  
Ellen, oh Ellen, I'm so glad you're mine  
Your  
We'll be together a long time  
!!GONE!!  
You've got the Beach Boys, and your firm's got the  
Stones

But I know you won't leave me alone

Sometimes it seems you're not with me  
It hurts me so much, it hurts me so much  
Sometimes it seems you're not with me  
It hurts me so much, it hurts me so much

You are the most, you're so rad, you're so fresh  
And I'm so glad I am yours, you are mine  
Show me where and I will sign  
When I was down, you came to me  
And promised you'd always be  
By my side, now you're gone  
And I'm waiting, waiting

Ellen, oh Ellen, I'm so glad you're mine  
We'll be together a long time

Ellen, believe me, I won't let you down  
Cause you are the best lawyer in town  
Sometimes it seems you're not with me  
It hurts me so much, it hurts me so much  
Sometimes it seems you're not with me  
It hurts me so much, it hurts me so much  
It hurts me so much, it hurts me so much
