You're starting to see it  
You can't avoid the feeling  
You're leaving without me  
Here right before you go  
Believing isn't seeing  
You need to stop you're breathing  
Open up your heart and my mind  
Just let it go

I'm Shaking and breaking  
My insides are seperating  
I'm losing all of my senses  
I fall to the ground  
On my knees I'm gasping  
Torn to the sky  
I am rasping  
Please reach down and take me out  
As the world is crumbling down

CHORUS:

You're breaking me down  
Into a million peices  
I'm completed  
You're breaking me down  
Into a you can't see this  
I don't need it

You're starting to see it  
You can't avoid the feeling  
I hope it eats at you  
Until you just give in

In reason these four seasons  
They prove there is proof to seek him  
Please reach down and take me out  
As the world is crumbling down

Chorus

This is all  
That I have

To say to you  
(repeat 3x)
