Filthy bitches of hellish sin
Once again you let me in
Screaming or not...
... I don't give a Fuck!

Sluts of Hell, Cunts of Evil !!!!
Sluts of Hell, Slave of Satan !!!!

In absence of God
I give you my blood
I take her south
She opens her mouth !!!

Sluts of Hell, Cunts of Evil !!!!
Sluts of Hell, Slave of Satan !!!!

Sworn enemy of the Nazarene
Possessed by Satan
Possessed by Hell
Infernal Death, eternal torture
Behind the veil of Death.....

Possessed by Satan
Possessed by Hell
Infernal Death, eternal torture
Behind the gates lies Evil.....

Whores of Hell fell the whip
Sluts of Hell with blood red lips
Leather and Latex I demand
Shut up bitch, I am in command !!!!

Sluts of Hell, Cunts of Evil !!!!
Sluts of Hell, Slave of Satan !!!!

Sworn enemy of the Nazarene !!!!
