

## Afflicted "Viewing The Obscene"

Visit "[Viewing The Obscene](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Blood spilled laces the ground  
Congregation to the demise  
Not to help, just to see  
Subconscious lust attract the flies

Tragic visions fill their eyes  
As the soul slowly dies  
Dark attraction, glimpsing interest  
What you enjoy - you detest

What's forbidden to see  
Interests me  
Still it's frightening  
To stare at the injuries  
The blood on the ground  
Beholders surround  
Their absorbing eyes  
And the victims helpless cries...

What scares us, we wish to see  
Nauseating visions of anatomy

The darkside of reality  
Is the blood of the casualty

"The sight of the obscene  
Visualized on the silver screen  
Behaviour primitive  
Fascination of the repulsive  
Wreck of human being  
Stiffening meat they're seeing  
Lingering, stopping, staring  
Views of death are scaring"

What's forbidden to see  
Interests me  
Still it's frightening  
To stare at the injuries  
The blood on the ground  
Beholders surround  
Their absorbing eyes  
And the victims helpless cries...

The fear to step in a prevent  
A persons death  
You would rather let him die  
Than waste your time and save his life...
