"Down With Love"

When you think you got someone,
Holding your hand
But no ones gonna find it in your heart like me
But why don't you see it
Like i do
Down with love
Down with love
Down down down with love
Don't try to make it alright
Cause it aint gonna work
When you didn't understand
Who you were with me
I knew in my heart i could change
You
But i was wrong.....so
Down with love
Down with love
Down down down with love

Down with love
Down with love
Down down down down
Down down down down
.....
.....with love
