Yelling screaming  
Headach beating  
People dying  
What to do  
Childrean crying  
What to do  
But that is just life itself  
There is more then what meets the eye  
There is a hart  
There is the sole  
And even without food and water  
And even with all the dismay  
I know that,  
That is life itself  
Then there is me  
Confused  
Lost  
Hopeless  
Is that life itself??  
Or is it pain??  
I see a girl  
That tells the story  
Of how a boy  
And a girl  
Met  
And that's just life itself  
And then there's me  
Is that life itself??  
Or is it pain??  
I see a girl  
With sad drooping eyes  
I see a girl cut with pain  
I see a girl who helps but needs  
Who wants but gives  
Who gives but never recives  
But for some that is life itself  
There is a girl  
In a shadow  
There is a boy in a medow  
There is a baby put to peace  
But others want to do the same

But that is just life itself
