I've always been  
The kind of guy  
Who could handle  
Almost anything

I've had money, cars  
Expensive girls in bars  
And I've always had my  
Own song to sing

Oh, but you came along  
Changed the sound of my song  
And I never, ever  
Felt like this before

Tell me, can this be real  
This love I feel in my  
Heart for you, baby  
Oh, can it really be true

You changed my  
Life so suddenly  
I don't know if  
This is me or not

But I like the new me  
My new identity  
So don't you ever  
Let the feeling stop

Sometimes I try  
To resist you, girl  
Aw, but that would just  
Take more than I've got

Tell me, can this be real  
This love I feel for you, baby  
Oh, can it really be true

Tell me, tell me, tell me  
Can this be real  
This love I feel for you, baby

Oh, can it really be true

Can this be real  
This love I feel in my  
Heart for you, hey

Can it really, really  
Really be true
