Feat. Niki Haris

DO anything
Oh yeah
Whatcha gonna do for me
Whatcha gonna do for my love
Just can't
Just can't get
Just can't get enough
Talk to me

Hey I really love you
Love you so so much
Put my lady next to you
To always feel your touch
Every little thing you do
Seems to turn me on
Even when you're talking nasty to me
Over the telephone

Honey I'll stay up late for you
And wait for your call
Buzz me up at 5 AM
And I don't mind at all

Cuz I'll do anything for your loving
Yes will I'll do anything But with a serious step are you
qualified?

Just can't
Just can't get
Just can't get enough
Talk to me

First thing in the morning
I'll be at your door
O tough
All day long and
All night strong
Just can't get enough

Honey if you let me start you up

We can begin
I play your game
Everytime
Baby wont you let me win

Cuz I'll do anything for your loving Do anything for your
loving or would you send me off like a
Third class lover Do anything for your loving I the break
of dawn Do anything for your loving baby on

Just can't
Just can't get
Just can't get enough
Talk to me

You got to know
The way I feel
Is for real
It's everlasting
Me what you need
And I'll take heed
And lead you in the right direction for affection
See what I'm saying
I aint playin
Stop delayin girl
And make me yor natural selection

Ha ha ha ha
You're crazy
I don't know about you
But I think I like you

Do anything for your lovin

Could you find the time to make me yours?
Take me out and rock the floors?
Glve me every little bit of your loves what I said
Make it smooth to the groove
Like sandwich bread

Well it's you for me
And me for you
There's not one thing
I wouldn't do
Hey I'll do most anything
You and me were meant to swing
Swing
Do do dodo

Just can't
Just can't get

Guess what
Just can't get enough
I want to be your baby
Just can't
Just can't get
Just can't get enough
