One set of footprints in the sand  
And you wonder where I am.  
Cause it was hard for you to see  
That the man you saw was me.

Cause if you fall I'll catch you  
Cross my heart  
You wonder why I have to  
That's my part

Chorus

Don't worry you're not alone  
Ain't that what I told ya  
I promise, when cold just gets colder  
If you should fall.. pick you up  
That just makes us closer and closer  
I'll comfort you so don't you worry

I saw you wounded, down in pain  
And I heard you call my name  
But what you didn't know for sure  
Is that I knew you would before.

Cause when you fell, I caught you  
You fall so much  
You didn't know? I thought yo  
u Knew my touch

Chorus

(With descant) Rest on my shoulder  
And I'll hold ya

I do what I have to do when it comes to you  
I'll be anywhere you want, just say you want me to.....

Chorus

Ooh Don't you worry I am always here  
If you ever need me, I'll be there.  
I'll take you in my arms and hold ya

I'll carry your weight on my back if I have to  
I'll carry your weight on my back if I have to,  
Yes I will.....

Chorus

I'll carry your weight on my back if I have to...  
Yes I will.
