Say You Love me by Naturally 7Verse 1

The ocean rises the  
waves now crash cross  
the seashore  
As the wind blows  
The earth, the moon,  
The flowers bloom as the  
rain drops  
And the trees grow  
No mystery, I can calm the sea  
I can fill your soul  
Make you whole  
With open arms I am here  
for you, I'm the air you breathe  
I'm everything

Chorus

Say you love me  
Tell me that you love me  
Say that I'm the one that  
you come running to  
To hold you through the rain  
Say you love me  
And there's no one else above me  
Open up your heart to me  
I'll always be  
All you'll ever need  
Say you love me

Verse 2

paradise just follow  
If you want to  
Take my hand and we'll fly  
away let me show you  
That I love you  
The candle's burning  
Your world is turning slowly  
Listen closely  
Be with me I am here for you forever  
And ever

Chorus

Verse 3

Cause I know you're out there  
Chasing waterfalls (say you love me)  
But you can rise above  
And show me that you love

Chorus

Say you love me, say you love me  
I'm all you'll ever need  
Just say you love me

Say you love me, say you love me  
I'm the air you breathe  
Just say you love me  
Repeat
