I just can't control myself  
I just can't control myself  
I want you  
I want you

When I first looked in your eyes  
I found I was quite surprised  
Your eyes held a magic glow  
I could feel my love vibe flow, I could feel it flow

I just felt so good inside  
Fixed emotions I couldn't hide, just couldn't hide  
Oh, mystic lady can't you see  
You were all the dreams I dreamed  
I just wanna say that

I just can't control myself  
I just can't control myself (And I want you)  
I want you (Ooh, baby)  
I want you

I just can't control myself  
I just can't control myself (I want you)  
I want you (You know that I do)  
I want you

Oh, baby, your love sends me higher  
I feel like my heart has wings  
Having you is everything  
I need it, ooh, hoo

I just can't control myself  
I just can't control myself (I want you)  
I want you (Ooh, baby)  
I want you

I just can't control myself (Oh, no, no, no)  
I just can't control myself (I want you)  
I want you (Ooh... oh)  
I want you

I just can't control myself

I just can't control myself (And I want you)  
I want you (Oh, I do)  
I want you

I just can't control myself
