Well, I've been a drag racer on LSD  
And I rode bare-assed on top of the sphinx  
I even had a gorilla on the slopes of kismet  
And man, that was fun for a while you bet but

Bikini girls with machine guns  
Bikini girls with machine guns  
All this stuff will kill ya, it's all loaded with fun  
Bikini girls with machine guns

Well I savored many foreign kinds of delicacies  
Intoxicated till I can't tell what the hell I could see  
Had all the violence and liquor within close reach  
But all bars, pills and threeways lead me back to the beach and

Bikini girls with machine guns  
Bikini girls with machine guns  
All this stuff will kill ya, it's all loaded with fun  
It's bikini girls with machine guns

And now they say that virtue is it's own reward  
But when that surf comes in I'm gonna get my board  
I got my own ideas about the righteous kick  
And you can keep the rewards, I'd just as soon stay sick

Bikini girls with machine guns  
Bikini girls with machine guns  
All this stuff will kill ya, it's all loaded with fun  
Oh, oh, bikini girls with machine guns

Bikini girls with  
Bikini girls with  
Bikini girls with machine guns

Bikini girls with machine guns  
Bikini girls with machine guns  
Bikini girls with machine guns  
Bikini girls with machine guns  
All this stuff will kill ya, it's all loaded with fun  
Bikini girls with machine guns
