Cramps
"Blow Up Your Mind"

I'm gonna get insane
Blow up my mind
Lightnin' bolt my brain
Turn into Frankenstein

Put on a party dress
Jack off 'til I'm blind
Clean up the mess
With turpentine

Never mind mankind
Leave 'em all behind
Blow up your mind
Blow up your mind
Blow up your mind

Like them mummy pharaohs
Over in the med
Wrap up my clothes
And blow up my head

Dynamite or acid?
Hybrow or hybrid?
Foresee the forbidden
Blow the lid off your ID

Never mind mankind
Leave 'em all behind
[Incomprehensible]
Blow up your mind
Blow up your mind
Blow up your mind

Go ahead, do it, do it
Do it, do it

Are you a little too healthy?
Drink some bad wine
Trap some bats in your belfry
And blow up your mind

No more static in the attic

Get erratic instead
Get real acrobatic, yes
And land on your head

Never mind mankind
Forget it, leave 'em all behind
Hear me now
Blow up your mind
Blow up your mind
Blow up your mind

Never mind mankind
No, no, no
Leave 'em all behind
Blow up your mind
Blow up your mind
Blow up your mind

Do it, do it
Do it, do it
Do it, do it
Do it, do it

Don't listen to 'em, do it

Do it, do it
