Here kitty, kitty
You better move along
'Cuz the big cats walk
At the break of dawn
Now doggonnit baby
Oh, I said dog gone

Hey can your pussy do the dog?
Can your pussy do the dog?
Can your pussy do the houndog, baby?
Can your pussy do the dog?

Well, this whole mess useless now
As a whistle on a plow
If your pussy can't do the dog

I'm the king of the jungle
They call me Tiger, man
I'm gonna do the bird
If I can, if I can
My bird can do the dog
If your pussy can

Hey can your pussy do the dog?
Tell me, can your pussy do the dog?
Can your pussy do the bulldog, baby?
Can your pussy do the dog?

Come on, wag that tail
Baby, you can't fail
If'n your pussy can't do the dog
Hey, hey, hey

Hully, hully, gully
Hully, hully, gully
Hully, hully, gully
Hully, hully, gully

No pedigree from France
Will get you in the dance
Listen, your pussy can't do the dog

Hey, can your pussy do the dog?
Can your pussy do the dog?
Can your pussy do the poodle cut, baby doll?
Can your pussy do the dog?

Well, no pedigree from France
Will get you in the dance
Listen, your pussy can't do the dog

Come on and wag that tail
Baby, you can't fail
If'n your pussy can do the dog
Cha, cha, cha
