Cramp stomp

Come on baby the cramp stomp
Come on baby the cramp stomp

Get ya high as King Kong's twat
Come on baby the cramp stomp
Cramp stomp, cramp stomp

Come on baby the cramp stomp
Come on baby the cramp stomp

Bigger blast than the atom bomb
Come on baby the cramp stomp
Cramp stomp, cramp stomp

Come on baby the cramp stomp
Come on baby the cramp stomp

Groovy gravy, no damn slop
Come on baby the cramp stomp
Cramp stomp, cramp stomp
