Evil eye hotshot. Full tilt nonstop. Tidalwave avalanche.  
Parked down at the ranch. A gulpin' go - juice.  
Chopped and channeled deuce. Custom chrome  
reverse. Jacked up Egyptian curse. She God Shanghail.  
Surfin' bird 'n' fur pie. See God 'n' hang five. Papa oo  
mow oo my. Dames, Booze, Chains, and Boots. Torso  
tossin'. Shockwave a causin'. A wammy in the  
boogaloo. Busted up bustle, too. Gear strippin'  
dynamo. Limbo down kinda low. I can do the camel  
walk. Torture me. I won't talk. Down in the fashion pits.  
Girls wearin' tourniquets. Rough and ready riff raff.  
Straight jacket sneak attack. Wig hat jack knife. Out on  
bail for life. Sex in the cycle set. Mama don't allow no  
pets.
