Well, there's a devil behind that bush
Yeah, there's a devil behind that bush
Weird wigglin' dance, scared me
Outta my pants that devil behind

Those fire red lips
I was scared stiff
That devil behind

Just one peek got me rattled
Up the creek without a paddle
That devil behind

Ooh, there's a devil behind that bush
Pointy wigglin' tail, what an
Evil female, devil behind

I was ridin' home, just last night
When I came upon an eerie sight
Cat eyes glowin' in the dark
Evil-lookin' and flashin' sparks

Too bad, a devil behind
Yeah, there's a devil behind that bush
Weird wigglin' dance that scared me
Outta my pants that devil behind

Ooh

Hidin' there in her devil suit
Scary, horny head but real cute
That devil tail wiggle sure looked fun
But somethin' 'bout that giggle
Told my feet to run

Ohh, that devil behind
Yeah, there's a devil behind that bush
Weird wigglin' dance, she scared me
Outta my pants that devil behind

Those fire red lips
I was scared stiff

That devil behind
Ohh, there's a devil behind that bush

Hoo

That devil behind
Pointy wigglin' tail
What an evil female
Devil behind

Ooh, that devil behind
Ooh, that devil behind
Ooh, that devil behind
Ooh
